

SEQUENCE : Hi, robot !

MISSION 1

Did you know?

Robots are very ancient inventions. For example, Al-Jazari (1136–1206), an inventor, designed an “elephant clock” which used an automaton and a boat with robot musicians to impress people at royal parties. Do you know any famous robots?

VOC : *clock (horloge), boat (bateau), impress (impressionner), party (fête), know (connaître; savoir).*

Exercice 1 : Too many chores... for a human! Document 1
